HELP WANTED

CLASS TITLE: Chief of Police
MONTHLY RATE: Depending on Qualifications
DEPARTMENT: Police Administration

POSITION SUMMARY: The Police Chief is responsible for the operations and administration of the Police Department. The Chief shall establish departmental policies, procedures and regulations; administer a comprehensive program for prevention of crime and law enforcement for the City including regulations, City Codes, ordinances and court decisions that affect the City. The Chief reports to the City Manager and follows the Texas Local Government Code 143 on appointment. Applicant must reside within the Municipal Jurisdiction.

REQUIRED EDUCATION AND EXPERIENCE:

- Bachelor's degree in Business, Police or Public Administration, Criminal Justice or related field desired but not mandatory.
- Seven years of progressively responsible, executive level experience in law enforcement.
- TCOLE Master Certification (required) and FBI Academy graduate (preferred) or must complete within two (2) years of hire.
- Must have served as a bona fide law enforcement officer for at least seven years.

OPTION RESPONSIBILITIES:

DUTY #	KEY DUTIES & PRIORITIES (Duties may include, but are not limited to the following):	FREQUENCY
1	Manages, directs, and oversees maintenance of law and order, protection of life and property, regulation of traffic, apprehension, arrest, and detention of law violators, and maintenance of police records.	Daily
2	Acts as the departmental representative to other City departments, City Manager's Office, elected officials, and outside agencies; explains, justifies and defends department programs, policies and activities.	Daily
3	Manages the development and implementation of department goals, objectives, policies, and priorities for each assigned service area; establishes, within City policy, appropriate service and staffing levels; and allocates resources accordingly.	Daily
4	Manages and participates in the development and administration of the department budget; estimates funds needed for staffing, equipment, materials, and supplies; directs the monitoring and approval of expenditures; and directs the preparation and implementation of budgetary adjustments as necessary.	As Needed
5	Responds to and resolves sensitive inquiries and complaints from both internal and external sources.	As Needed
6	Responds to media inquiries on police issues and policies as they relate to the community and ensures responsive, appropriate service delivery by conferring with civic, professional and other community groups.	As Required
7	Assumes full management responsibility for all department services and activities, including patrol, traffic, criminal investigations, special operations, records and communications, internal affairs and law enforcement.	Daily

PERVISORY RESPONSIBILITY:

This position directs the daily activities of the Police Administration and Operation staff to include: hiring, training and supervising of personnel; providing ongoing communication regarding City programs, policies and procedures; preparing the annual departmental budget; and ensuring the Department provides a superior level of service to the citizens of Falfurrias.

EMPLOYMENT:

Notice of Application and Hearing for Permit to Produce Groundwater from the Brush Country Groundwater Conservation District in Jim Wells County
 On October 20, 2020, Mr. Arthur A. Seeligson & Larja Company whose address is 808 Travis St. Suite 2200 Houston Tx 77002 (the "Applicant"), filed an application with the Brush Country Groundwater Conservation District (the "District" or "BCGCD") seeking a production permit for 1 commercial non-exempt water well located on 1,545 acres of Mr. Arthur A. Seeligson & Larja Company Property, in Jim Wells County, to produce water from the well to a maximum amount of 10,000,000 gallons (30.6 acre-feet per year). Mr. Arthur A. Seeligson & Larja Company's proposed water well is located on the Northeast side of Highway 281 approximately 1 mile north of Premont Texas. The coordinates & description of the well is: District Well ID #249-0031-2020 located at 27.372625 & -98.116102 & having 5" diameter casing and estimated depth of 500. The Applicant seeks authority to produce water for commercial and industrial use within boundaries of the District. The proposed well is to be completed in the Gulf Coast aquifer. Production from the well will be managed in a manner designed to minimize any interference with any neighboring wells completed in the same aquifer. The District Rules mandates publishing of public notice and opportunity for a public hearing before considering approval of this type of permit application. The Board of Directors of the District may grant a contested case hearing on the permit application if a written hearing request is filed within 20 days after the publication date of this notice. To request a contested case hearing, you must submit the following in writing: (1) your name (or for a group or association, a representative), mailing address, daytime telephone number, and fax number, if any; (2) applicant's name; (3) the statement "[I/we] request a contested case hearing;" (4) a specific description of how you would be affected by the application in a way not common to the general public; (5) the location and distance of your property relative to the proposed activity; and, (6) for a party desiring for the hearing to be conducted by the State Office of Administrative Hearings the request must include the statement: "[I/we] request that the State Office of Administrative Hearings conduct the hearing." Note that a party requesting that the State Office of Administrative Hearings (SOAH) conduct the hearing shall pay all costs associated with the contract for a SOAH hearing and will be required to deposit with the District an amount determined by the District to pay the SOAH contract amount.

You may also file written comments within 20 days after the publication date of this notice without requesting a contested case hearing. Comments or requests for a contested case hearing must be submitted in writing and mailed to Brush Country Groundwater Conservation District 732 W. Rice Street Falfurrias Texas 78355, or emailed to generalmanager@brushcountrygcd.com. The application is available for review at the District Office, located at 732 West Rice Street, Falfurrias, Texas 78355 or on the District's website at www.brushcountrygcd.com.

A hearing to consider contested case hearing requests, if any, and to act on the Arthur A. Seeligson and Larja Company's production permit application for 10,000,000 gallons per year or 30.6 acre feet per year is set for 9:45 a.m. January 27, 2021 at the Board of Directors meeting to be held at the BCGCD District Office, located at 732 West Rice, Falfurrias, Texas 78355. The public may attend this hearing in person or attend virtually by joining the meeting from your computer, tablet or smartphone at this link:
